## Peppi and Manny Oatmeal

Peel and cut half a Peppi and half a Manny into small cubes.

Put them in a saucer, with one cup of oatmeal and one cup of almond milk.

Cook for 5 minutes. Cooking will make Manny and Peppi super sweet so you won't need to add any extra sugar!

Top with cinnamon and shaved almonds for a special crunch.

## Lenny and Fran Cheesecake

Mix one cup of cream cheese, half a cup of condensed milk and the juice of half a Lenny.

Crush some cookies and place them on the bottom of a glass container.

On top of the cookies, spread the cheesecake mixture, and then a layer of chopped Frans!

Chill in the fridge for one hour and enjoy!

## Wacky-Mole!

Using a fork, squish  
Ava in a bowl.

Chop one Tommy and one-  
quarter of a Noni and mix in!

Mix in the juice of  
half a Lenny and add  
a tiny bit of salt.

Enjoy with  
crunchy nachos!
